

# Asia Pacific Maternal and Child Health Conference & Integrated Platform for Research in Advancing Maternal and Child Health Outcomes (IPRAMHO) International Meeting 2024

## 23 and 24 February 2024

## Optimising Perinatal Nutrition for Better Population Health

## Open Call for Poster Abstracts

(Submit your abstracts by 10 January 2024)

Dear All,

You are cordially invited to submit your abstracts for the **Asia Pacific Maternal and Child Health Conference & Integrated Platform for Research in Advancing Maternal and Child Health Outcomes (IPRAMHO) International Meeting 2024** on 23 and 24 February 2024 (Friday and Saturday).

We encourage abstract submissions from clinicians, nurses and allied healthcare professionals working in the fields of diabetes, GDM, obesity, nutrition and women and child health. This is a great opportunity to present your work to the local and overseas communities.

### **Abstract submission instructions:**

1. Please use attached abstract submission form.
2. Send your abstracts to Ms Michelle Mo at [ipramho@khh.com.sg](mailto:ipramho@khh.com.sg) by **31 December 2023 (Sunday)**.
3. A confirmation email will be sent for accepted abstracts, complete with poster instructions.

For enquiries related to the submission of abstracts, please email [ipramho@khh.com.sg](mailto:ipramho@khh.com.sg)

Here's a preview of the event highlights. More details of the Scientific Programme will be available soon.

## Event Highlights:

- Launch of the Singapore Feeding and Eating Guidelines for Infants and Young Children
- Global, regional and local perspectives in maternal and child health
- IPRAMHO - International research network meeting in maternal and child Health
- Asia Pacific Consensus Workshop on perinatal nutrition
